

# How do you feel about the Perkins, Somerset, Old Town Transformation Plan?

# Do you have any questions about the Plan?

When can the families of five come back

Why are things moving so slowly?

Please get it put back up im ready to go back HOME.

There are no buildings yet and they were suppose to be done by now.

The procesd of moving was okay, but where I moved at is terrible with management and maintenance staff. I've been here 7 months and still need repairs completed. I'm ready to move out.

My question is that I hope don't take Perkins forever to be built once it's demolished

It was rushed and housing choices were mot many

When is Somerset /1234 Mceldery be done for residence to move in?
