

# TRAFFIC PATTERN NOTICE

**Subject:** Temporary Traffic Changes for Aisquith Street and McElderry Street

**Dates and Expected Durations:** The install of temporary traffic controls; including jersey walls and new traffic pattern signage, is expected to begin the week of **January 18<sup>th</sup> 2022** and end **January 28<sup>th</sup> 2022**.

The temporary traffic changes reflected in the attached image are anticipated to end around April, 2023.

**Additional Information:** Rear access for Old Town Mall businesses will be accessible during construction. Loading trucks will be allowed in the designated deliveries area on McElderry Street. The driveway entrances to Forrest Street apartments will also remain opening during construction.
